Telegram and WhatsApp Group links for **JYOTISH VIGNAN E-MAGAZINE** are provided here. Those who are very interested in Astrology join these groups. **EVERY DAY THERE WILL BE A DISCUSSION ON ASTROLOGY RELATED TOPICS IN THIS GROUPS.**

Also, you can give your suggestions about **JYOTISH VIGNAN E-MAGAZINE**. Also, your Astrological Questions will be answered.

From this the best Astrology Questions are taken and given under the heading of **Astrology Questions – Answers**

**Telegram:** <https://t.me/+KoMaa8mfkic4OTM1>

**WhatsApp:**  
<https://chat.whatsapp.com/L7Ta7TyHUD24RgmNpS1c4o>

**Question 1:** Sir, who gets good recognition in **Astrology Education?** Can inform about astrological combination yogas. **Narayana Murthy – Maheswaram**

**Answer –** The main planets to consider for Astrological Education are the combination of Mercury, Jupiter and Saturn. These planets should have significations with 6, 8, 9, 12 places.

Out of these three planets Saturn in 8th house significations will bring good reputation in Astrology. Also, Jupiter with 9th and 12th position significations will get good reputation in the Spiritual World.

If Jupiter is not associated with the 9th house, no matter how many attempts are made in astrological education or astrology, recognition will not come at all.

Also, in addition to Jupiter, having significations with Moon and Ketu planets will give good reputation in the field of astrology.

Finally if Venus is related to 1st house then income will be very good

**Question 2:** Sir - you mentioned Punarphoo Dosha in your Astrology YouTube Channel. Also explained in your Marriage and Child Birth Astrology book. As you mentioned in the video and book, I myself have checked many horoscopes and the rules you

mentioned are matched perfectly. Can you explain more about this matter? **Ramakrishna Shastry – Kanchipuram**

**Answer –** The combination of Moon and Saturn is called Punarphoo Dosha. When it comes to how serious this Punarphoo Dosha is, if Saturn and Moon are in each other's star, the effect of this Dosha is more. Additionally, if one's aspects are on one another, the intensity of this Dosha effect is even greater. This aspect should also not exceed 8 degrees.

This Dosha effect is not so much if there is only aspect without stars. If under the influence of Jupiter, the effect of this dosha is reduced by 50%.

If there is Punarphoo Dosha in the horoscope and Moon and Saturn will be strong significators for which house, the results of that House will be delayed.

- If Moon and Saturn get significations in 7th house, marriage will be delayed. Because 7th is for marriage.
- Also, if the 5th house has strong significations, there will be progeny problems. Because the 5th position indicates progeny.
- Also, if the significations come to the 4th house, the results will be negative in the case of immovable property.
- The point to be understood here is that the results of the position where these planets Moon and Saturn are strong significators are certain to be negative.

**Question 3:** Can we be sure about future wife / husband considering 7th position in KP method? Can you elaborate on this? **Narayana Murthy – Warangal**

**Answer –** 7th position is spouse position. If Jupiter and Mercury are strong significations for the 7th house, then the prospective life partner is very good.

Also, if there are significations with Mars, Venus and Saturn, it means that the spouse is not good.

### How to view these results –

- Spouse is very good - 7th Cusp Sub lord posited in Stars of Jupiter and Mercury. Also, should have strong significations for each other.
- Spouse not good - 7th Cusp Sub lord posited in Stars of Mars or Venus or Saturn. Also, should have strong significations for each other.

### Some more rules –

- If the 7th Cusp Sub Lord Mercury is strong, the age of the wife/husband will be less. There are good qualities that attract everyone.  
If weak, not a reliable person. There will be a deceiving quality.
- Some more rules - If the 7th house sub lord is Jupiter and is strong, then wife/husband's earnings will be good. Health will also be good. Interest in spiritual matters is high.  
If weak, marriage life will be disturbed. Chances of divorce are high.

- Some more rules - If 7th house sub lord Saturn is strong then wife will be older than husband. Also the husband's age is much higher than the wife's.  
If weak, marriage life will be very good. Progeny is delayed.
